

Researcher Profile

Faculty of Chemical Engineering,
UiTM Cawangan Pulau Pinang

Industrial & academic experiences

14
years

10
years

Ir Mohd Azahar bin Mohd Ariff

SENIOR LECTURER

Email: azahar.ariff@uitm.edu.my
 Google scholar link: <https://bit.ly/mazahar>
 Scopus Author ID: 57193811025

Education

- B. Sc Chemical Eng Univ. of Arizona, Tuscon, USA
- MSc, UTM Malaysia

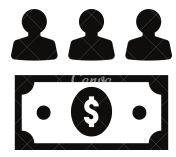

Professional membership

- Professional Engineer with Practicing Certificate - Board of Engineers Malaysia (BEM),
- Corporate Member - Institute of Engineers, Malaysia (IEM),
- Chartered Engineer - Institute of Chemical Engineer (IChemE) & Engineering Council (UK),
- Gas Engineering Supervisor - Energy Commission Malaysia

Research interest & Expertise

- Separation, Process Safety, Industrial Gas System

Research grants

0 international, 0 national, RM30K internal

Publication/H-Index

12 publication (SCOPUS), 2 h-index (SCOPUS), 32 citation (SCOPUS)

Innovation

2 patent filed, 2 copyright

Networking

4 industry international, 1 government international

Supervision

0 postgraduate, 12 undergraduate
